REPORT

Competitive Examination Study center of the college has organized special career guidance programme for College students who are aspiring for shaping their career through competitive examination. Three days online workshop for students on career counseling was organized from 11th to 13th October 2021 through online mode (Zoom Meeting) between 7.00 to 9.30 pm. on all three days.

Objective of the workshop: To make students aware about various career opportunities through competitive examinations and make them aware about information and communication technology.

Day – 1 (11th October 2021)

The programme inaugurated with welcome to the guests and introductory speech by Principal Dr. Anuja Madam. Dr. Anuja Madam, in her introductory speech have given the importance of competitive examinations in shaping career in government sector and also encouraged students to prepare for the same during the course of their graduation. She also welcomed Shri. Radhey Pandit and expected that three days session will be driving force for the students to prepare for their better career in future.

Sumant Autade, co-ordinator of Competitive Examination Study center have introduced the guest Mr. Radhey Pandit and welcomed him for his first session. Mr. Radhey Pandit in in his first session gave a detailed account on digital literacy. He has demonstrated various hardware and software of computer and also gave some tips for better use of these computer hardware. He also highlighted the importance of computer literacy in all walks of life particularly in various job opportunities in the era of information and technology. At the end of the session he also gave satisfactory answers to the queries and doubts of the participating students.

Day – 2 (12th October 2021)

The second day of students workshop FDP has started with welcome to the resource person. Mr. Rahey Pandit in his second session of the workshop gave a detailed account on various career opportunities in formal and in formal sector for Arts and Commerce graduates. He has also gave a detailed guidance on what kind of preparation is required for different sectors of career.

Day – 3 (13th October 2021)

The third day of FDP has started with welcome to the resource person. Mr. Rahey Pandit has elaborated various competitive examinations. He has given detailed account on preparation for different types of competitive examinations including civil service examinations, state service examinations, railway recruitment board examinations and many more. The session was followed by question answer session

wherein all the questions and doubts of the students have successfully been solved by the resource person.

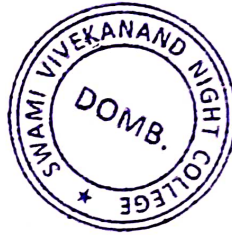

In the vetidictory session of three days students' workshop, Principal Dr. Anuja Madam expressed her gratitude to Mr. Rahey Pandit for his valuable guidance to the students on various career opportunities and guidance for preparation for the same. The formal vote of thanks was proposed by the co-ordinator of competitive examination study center..
