

Mission statement of the College....

॥राष्ट्रहिताय ज्ञानसंवर्धनम्॥

“Conservation of Knowledge for the Benefit of the Nation”

The institution is striving towards achieving its broad based mission. The institution is affiliated to the University of Mumbai and the classes are being conducted during evening times. The philosophy behind conduct of various courses is to provide knowledge and bring the members of the society to the main stream education that is deprived due to their economic and professional compulsions. The institution is running normal BA / BCom courses for which the financial burden on the learners is minimal in comparison with the other courses offered by University of Mumbai. The institution is situated in suburban part of Mumbai (Dombivli) wherein service sector provides more employment. The conventional BA/ BCom degree not only provides them scope for their academic improvement but also it provides academic enrichment. The institution provides various facilities to the students in payment of fees. Installment system of payment of fees is provided to all students who desire to opt the same. The institution is run on grant in aid basis wherein the fee structure is as per the rules of the University of Mumbai and it is less burdensome in comparison with the institutions run not on grant in aid basis. The institution provides all those academic, curricular and extra-curricular facilities to the students which a normal day-time affiliated institution provides. The academic calendar comprises of the programmes such as cultural, extra-curricular and community oriented activities in the form of NSS. The students are given all possible exposures to display and execute their skills and talents. Various seminars, workshops, elocution competitions, group discussions are organized. Moreover, education tours are arranged in order to apprise the students with the reality in comparison with academic composition of the various courses. A separate College Women Development Cell (CWDC) organizes programmes related to gender sensitization and equality, self defense, awareness programmes for physical and mental health, legal awareness etc. Library of the institution is having the necessary back up of the text and general literature. The library also provides book bank facility to the students wherein a set of text books of all the courses given to the students for their personal reference. Besides, the institution provides coaching to the students for preparation of competitive examinations. Besides academic activities, the annual sports tournaments are organized wherein individual, group events are conducted such as box cricket, carom, wholly boll, chess, tug of war, badminton etc. A multipurpose gym instrument is also in place in Gymkhana and a professional teacher/ coach is appointed to look after the sports and gymkhana activities.
