ACTION TAKEN REPORT

(Based on the feedback received from different stakeholders on curriculum)
(ACADEMIC YEAR - 2020-21)

Feedback on curriculum (Received from the stakeholders)	Action Taken
1. Curriculum should be practical oriented	1. Practical and job oriented certificate courses such as tally, computer applications in economics are introduced
2. The examination pattern should rely upon practical	2. Hands on practice and evaluation based on the same for courses framed by the institution
3. Priority to development of communication and technical skills	3. New courses such as communication in English and Understanding real world through maps are introduced to inculcate desired skills among the students.
4. Syllabus should be redefined to inculcate latest technology and industrial requirements	4. Concerned teachers have raised these issues verbally in formal meeting of revised syllabus in the presence of Board of Studies members from time to time.
